

PLease do not implement a proposal that would lesson a law we already have in place here in Indiana. Since I signed up the for the Indiana Telephone Privacy Law it is amazing how much few telephone solicitations I have received. Probably 95% of the solicitation I received before the law is now gone. This law works! Please don't break something that works. You should think about modifying your own act so it closer resembles Indiana's. I

Thanks,
Scott
